Celebrate a LOVED ONE

We never forget the special people who have touched our hearts and made a difference in our lives. By making a gift to honor someone important to you, or to preserve the memory of a loved one who has passed away, you make a difference in the lives of our Shiloh families. When you make one of these treasured gifts we will personally notify the family or honoree in a way that you specify. See below for all the ways to give a gift in someone's honor this holiday season.

Dear #LifeChangers,

Over the last few years, as we have been planning and preparing for the needed next stages of growth, we have been able to connect with many of our Shiloh graduates. We have laughed, celebrated, reminisced about the past, and learned about their successes. Without fail, I always walked away thinking about how different their futures will be.

When a mom is accepted to Shiloh Place, she is not simply looking for affordable housing or childcare. Nor is she just looking for a stable career with financial security. A Shiloh mom is longing for a new future for her children. This is her motivation to wake up early, stay up late, and fight through the hard days. Because this opportunity is about growing a new legacy for her family.

What a gift to look to the future, knowing you are sowing seeds of hard work, determination, love of family, sacrifice for others, all built on the unshakable and faithful foundation of Christ. Scripture reminds us that our faithfulness now sets the foundation for our children and our children's children. THIS is the legacy our moms are already instilling in their children, that will bear fruit for generations!

Our moms leave Shiloh Place with love and gratitude for the opportunity, provision, prayer and ministry that Shiloh played in their lives. For every supporter that prayed, gave financially, or volunteered, these women see a beautifully woven story that is now the gift they leave their children – Legacy!

Now, as we are stepping into the tangible expansion of our capacity and reach, we need your financial support and prayer. When we live with intention and awareness, walking as God leads, we glimpse the legacy we are leaving. And at Shiloh, we believe **more families = more changed lives = greater legacies for generations to come!**

In Him,

Groundbreaking

On November 12, we celebrated a significant milestone with a heartfelt ceremony. This event marks the beginning of an exciting new chapter in our mission to equip single mothers and their children. Together with our community, we are building brighter futures—one step at a time.

Each mother who comes to Shiloh carries with her an unique journey—one filled with challenges, hopes, and dreams for a better future. No two stories are the same, and each mom faces her own path toward creating a new legacy.

This year, we've watched our moms persevere through countless obstacles. There have been days of struggle, times when giving up might have seemed like the easier option. But the common thread we've seen in all of them is their unyielding spirit to push forward. Even when today feels hard, they know tomorrow brings a new opportunity.

We are so proud of the strength, resilience, and courage these mothers show as they work tirelessly toward financial independence and personal wholeness. They are not only shaping their own futures but also creating a legacy of strength and perseverance for their families.

“I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me.” – Galatians 2:20

“It’s not about how much money you spend, and children won’t remember those expensive toys. They will cherish the special moments spent together as a family. So, from here on out, we will focus on making a life of memories.”
– Shiloh Mom

“Life at Shiloh is peaceful. My kids have a safe place to sleep, and I am learning how to prioritize the important things in life.”
– Shiloh Mom

“I have most definitely seen moms grow as they live at Shiloh Place. I’ve seen the tension and anxiety in their countenance gradually decrease as they experience safety, security, support, encouragement and hope at Shiloh Place. I see them grow in knowing, loving and listening to the Lord as well as growing in godly wisdom, gratitude and joy. I see them grow as friends to one another who speak difficult truths with kindness, share their stories, comfort each other on when hard things happen and rejoice in each other’s accomplishments.”
